THAT CLOCK

- I have listened to the clock
 That hangs above my head;
 It ticked away the livelong day,
 And curious words it said.

which she was engaged was a very rich dress. The twilight closed in rapidly, with a blinding fall of snow, a bit-ter, wailing blast that made the windows rattle in the casements. Still the pale-faced woman stitched on.

"Mother," piped a sweet voice from the cot beneath the window, "will you get the fine dress done? Oh, mother, tea and a bit of sausage."

Flora, Ross, come, my boy."

A manly little fellow came out from the bedroom beyond.

"The fine dress is done, Ross, and you must run home with it as fast as you can. Miss Gracie will be out of ing."

must call to-morrow."

disappeared down the stairway; "sister the afteen years never for one hour ne to Gracie ought to pay him. It must be had he forgotten her. But she was

quiringly on little Ross as he approached minute or two."

will settle the matter at once."

He dispatched a messenger accordingly, and Ross sat down in a corner and sobbed bitterly as he heard the driving wind and thought of his mother and poor little Flora. In an half hour Mr. Fontenay came bringing his little daughter Pansie with him. The little creature darted towards Ross like a humming bird, her cheeks ablaze, her eves flashing like lightning.

some of the money received for her jewels dands, the archbishop desired me to be seated, and we at once proceeded to discuss the land act and the land agitation in relation to the proclaimed league. He told me that the manifesto of the league, which led to its suppression, had filled him with horror and astonishment. It was a card, bearing the simple words: "Ross bundant has not forgotten little Pansie."

Pansie sat amazed for a moment, and signatures he would have believed they
